NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Monday, April 17, 2023:

MINUTE entry before the Honorable Susan E. Cox: The Court has reviewed the parties' joint status report, which is construed as an agreed motion to extend the fact discovery deadline. The Court grants that request, strikes the 6/14/23 fact discovery deadline, and re-sets the deadline to 9/14/23. To the extent the parties seek for the Court to set a deadline for written discovery or "substantial completion" of document production, the Court declines to do so. It is not the Court's practice to subdivide fact discovery or to set additional dates until it becomes clear the fact discovery deadline will be met. Instead, the Court trusts that counsel will work efficiently to meet all agreed deadlines, particularly in cases like this where the parties are represented by law firms that collectively employ thousands of attorneys. The parties are ordered to file an updated joint status report on 7/18/23. (rbf,)
